

West Norfolk

retailers ready to welcome you back

Retailers across west Norfolk have been working hard to ensure they can provide a Covid-secure shopping experience for customers old and new. Please support your local retailers in Downham Market, Hunstanton and King's Lynn, and all the villages in between.

Please remember the measures they have put in place are there to protect you and to protect others. They may take some time to bed in, so please be patient. Here are some tips that will help everyone stay safe and shop with confidence:

Plan your visit

(avoid peak time of 10am-1pm)

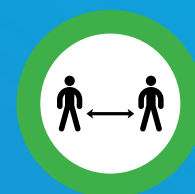

Shop local

(support your local traders)

Wash/sanitise your hands

(avoid touching your face)

Follow social distancing measures

(protect yourself, protect others)

Be considerate of others

(keep your distance)

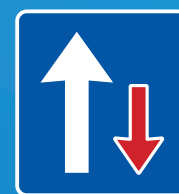

Use contactless payments

(where possible)

Shop alone if you can

(follow queuing instructions)

Keep left

(and follow floor markings)

Not all retailers will choose to open on 15 June. If you wish to visit a specific retailer check they are open before travelling.
