- 5.2 Matters arising from the minutes.
  - 5.2.1. (12). To receive update on Bus Shelter. Cllr Venes explained that the council had discussed informally the situation regarding what to do regarding the bus shelter at the east end of the village. There are three options on the table, knock the current shelter down and replace with a new shelter which will cost around £9,000 without the base. Repair the shelter fully by taking the roof off and replace totally or knocking down totally and not replacing. Cllr Needham advised that he had wanted to go with a replacement and was hoping that CIL money could be used. Cllr Venes advised that there would not be enough CIL monies available within the next financial year and some of the money had already been earmarked within the draft budget for 20/21. Cllr Needham advised that he had been giving this a lot of thought and the bus shelter is totally safe as it is but is not water tight. Cllr Needham advised that he could put a sheet of ply underneath the roof and replace the tiles around 7 or 8 and replace one batten and give it a coat of white paint, which would cost around £200.00. Cllr Needham advised that it would last around 18 months and the Council will hopefully be in a more stable footing and the shelter could be totally replaced with a nice shelter like neighbouring villages. Cllr Venes advised that the shelter could be made to look better with a Corex copy of the Historical Map/Emergency Numbers etc. Cllr Venes advised that the Thornham BagLadies could be asked to sponsor the Corex Map. Cllr Needham advised that he felt that it might be better to wait and put this information in the new shelter once in place. The Clerk advised that new bus shelters can be purchased with the Parish Partnership Fund. After discussion **It was resolved for Cllr Needham to undertake the repair.**
  - 5.2.2 (13). To receive update on Planters. Cllr Venes reported that the planters were in place and planted. The Planters are currently planted with Winter Pansy's and underneath are Daffodil bulbs for the spring. Cllr Venes asked for Thank You Letters to go to the Thornham Bag Ladies, Adrian Siddall and Robert Goddard for all their help and assistance with the Planters. **It was resolved for the Clerk to undertake the letters.**
  - 5.2.3. (8). To consider any action regarding general Parking issues. Cllr Venes suggested that no further action is taken on this subject until after the Saxon Shore Benefice meeting arranged for the 23 January 2020.

## **6. Neighbourhood Plan**

To receive update and consider any action necessary on Neighbourhood Plan. Cllr Gulliver had given his apologies and had previously sent round a list of the payments still to be made to complete the plan. Cllr Barrett had advised that the initial payment needed was covered in this year's budget.

Cllr Venes asked if the meeting could be opened to allow Mr Staveley to give an update. All in agreement.

Mr Staveley advised that the group were working on the replies and responses from the open day which covered regulation 14. The draft plan will need to be amended if necessary on the findings. The next element that the group needed to work on was regulation 16 which is basically the index to the plan and it is all the documentation from the start of the plan until the end of the plan. It sits alongside the draft plan. Mr Staveley advised that it is hoped to have this work completed by the end of January beginning of February when the group would like to report back to the Council.

Mr Staveley advised that once regulation 14 and 16 were complete then all the documents were ready to go to the Inspector, then the Borough Council and then on to referendum.

Cllr Venes thanked Mr Staveley for his report.

## **7. Village Matters**

### **7.1 To receive update and consider any action on Shore Road.**

Cllr Venes read out the following report:

Subsequent to our last PC meeting in November our legal team received a request for an extension of seven days to allow the appellant's barrister time to respond to Judge Cook following our barrister's submission as he, the appellant's barrister, was involved in a lengthy case. Following advice from our legal team and in common with our co-respondent we agreed to this extension.

On Saturday 23<sup>rd</sup> November I received a letter from the appellant. I copied this to fellow councillors, the Clerk and our solicitors requesting their advice on the response. On 26<sup>th</sup> November I received an e-mail from our solicitor. In addition to offering guidance on the response she noted that she had been informed that the appellant's barrister had been involved in a serious traffic accident. He was in hospital following surgery and an additional 7 day extension was requested. We agreed to this, again as we were advised to do.

Thus, through circumstances totally outside of our control, we cannot expect a decision from the judge before the middle of December at the earliest I suspect.

In addition to the frustration of the delay re the possible resolution of the dispute this is also a significant handicap in the budget setting process which is a pre-requisite of setting the precept.

Signed:..... Chair Date: .....

- Again, I conclude by noting that we must continue to wait, however some contingency budget planning must take place.

The Clerk advised that it was a new module and currently offered 50 free asset listing, and she had been unable to obtain the necessary details regarding grouping asset etc and felt that the free module would not allow all the of our equipment to be listed separately. The Clerk advised that due to the Neighbourhood Plan Parish On Line needed to be renewed. This would give the Clerk more time to assess the Edge module. **It was resolved for the Parish On Line payment to go on tonight's payment sheet.**
- 7.5 To consider and vote on a dog bin request. Cllr Venes advised that the Clerk had received a request for a dog bin on the path that runs alongside Drove Orchard to the sea wall. Cllr Venes advised that one side of the path is in Holme and the other is in Thornham. Cllr Venes advised that the budget needed to be looked at to see if another bin can be provided. The Clerk advised that Drove Orchard were going to purchase a dog bin a while back but nothing happened. The Clerk to ask Cty Cllr Jamieson if Drove Orchard would sponsor the purchasing of the bin if the Parish Council took on the on-going emptying. **It was resolved for the Clerk to ask the question, obtain a quote for a new bin and see if a licence would be awarded in this position.**
