Business Continuity Plan

(BCP October 2021)

Thornham Parish Council Business Continuity Plan (BCP)

Scope

There is a duty placed on the local authority under The Civil Contingencies Act 2004 (Contingency Planning) (Amendment) Regulations 2012 to ensure that it is prepared, as far as reasonably practical, to continue to provide critical functions in the event of a disruption.

This plan provides an outline in order for the Parish Council to mobilise its response and undertake work to prevent or mitigate the severity of potential disruptions. This plan identifies the instances of disruption, the immediate responses, the basic procedures to follow to maintain continuity of service and the follow-up procedures and necessary changes to service delivery, where such services are disrupted by factors within Thornham Parish Council's area of responsibility.

Introduction

There are three types of event which could trigger a local/national emergency:

- A pandemic or other health threats.

Note: Pandemic viruses such as Flu or Coronavirus are the UK's highest risk and the elderly, infirm, young children and those with special needs can be particularly vulnerable. In a severe outbreak, it is estimated that up to 500,000 people could die in the UK.

Trigger

The trigger for a local/national emergency will be a declaration by an authority, including but not limited to, the Environment Agency, Kings Lynn & West Norfolk Borough Council, Norfolk County Council, The UK Government, the National Health Service and World Health Organisation.

Once a local/national emergency has been confirmed by a reliable source then contact details of the following are to be obtained:

- Volunteers who are registered under the Kings Lynn & West Norfolk Volunteers Service
- Local Councillors and others who are community volunteers
- Local Community Transport Volunteers who provide transport for people without transport.
- Organisations who identifying vulnerable people.

Actions to be Taken

When a local/national emergency has been confirmed from a reliable source the following actions are to be taken (Note: The Emergency Committee Chair will specify who is responsible for each action and when they need to do it):

- The Emergency Co-ordinator will call a meeting of the TPC Emergency Committee.
- Publish warnings on the TPC website
- In the event of a Pandemic put up NHS / Public Health England posters throughout the parish and on TPC Notice Boards and share with churches, village shop, etc.
- Consider the agency advice and implement any actions recommended.
